PUBLICATIONS

- “Rules and exceptions in conservation genetics: genetic assessment of the endangered plant *Cordylanthus palmatus* and its implications for management planning.” 2001. *Biological Conservation* 98:45-53. With E. Fleishman, A.E. Launer, U. Yandell, J. Heywood, and D.D. Murphy.
- “Identifying extinction threats: Global analyses of the distribution of biodiversity and the expansion of the human enterprise.” In *Ecosystem Management, Selected Readings*, 1996, edited by Fred B. Sampson and Fritz L. Knopf. With T.D. Sisk, A.E. Launer, and P.R. Ehrlich. Springer-Verlag.
- “Development of a long-term monitoring of the endangered plant *Cordylanthus palmatus* at the Springtown Alkali Sink.” 1995. *Western Wetlands: Selected Proceedings of the 1994 Conference of the Society of Wetland Scientists*. With E.A. Fleishman, A.E. Launer, and U. Yandell.
- “Identifying extinction threats.” 1994. *BioScience* 44(9):592-604. With T.D. Sisk, A.E. Launer, and P.R. Ehrlich.
- “Multi-level monitoring of the endangered plant *Cordylanthus palmatus* at the Springtown Alkali Sink.” 1994. *Western Wetlands: Selected Proceedings of the 1993 Conference of the Society of Wetland Scientists*. With E.A. Fleishman, A.E. Launer, and S.B. Weiss.
- Conservation of the palmate-bracted bird’s beak, *Cordylanthus palmatus*. 1993. Report to the U.S. Fish and Wildlife Service and the State of California Endangered Plant Program. 56 pp. With A.E. Launer.
- Studies of *Cordylanthus palmatus* at the Springtown Alkali Sink, Livermore, California. 1992. Report to the U.S. Fish and Wildlife Service and the State of California Endangered Plant Program. 97 pp. With A.E. Launer.
- The global conservation analysis package: Relational databases for the analysis of conservation priorities. 1992. Report for World Wildlife Foundation. With E. Fleishman, A.E. Launer, and T.D. Sisk.
- A primer for the design and management of nature reserves. 1992. 230 pp. With others at the Center for Conservation Biology.
- “Grazing and endangered species management.” 1991. *Endangered Species UPDATE* 8(8), p. 6. With S.B. Weiss and D.D. Murphy.
- “Migratory phenomena and conservation.” 1991. *Endangered Species Update* 8(2), p. 6. With D.D. Murphy and S.B. Weiss.
- “Conservation education,” 1990. *Conservation Biology* 4(4) pp. 347-348. With D.D. Murphy.
- “Unoccupied habitats and endangered species protection.” 1990. *Endangered Species Update* 7(5), p. 10. With D.D. Murphy.
- “Ecological values of the California desert.” August 1989. Report 2, The American Southwest series. Commissioned by The Wilderness Society. 29 pp. With D.D. Murphy.
- “The conservation biology of raptors: A status report.” 1987. *Endangered Species Update* 5(1), p. 6. With B.A. Wilcox.
